

## Leanne Tolley

### Case Manager, Coventry

Leanne is an Occupational Therapist with 12 years' experience across diverse settings, specialising in assessments to address care and mobility needs with a strong focus on safety and dignity. Leanne has significant experience working with people who have sustained orthopaedic injuries and spinal fractures, upper and lower limb amputation, and complex neurological conditions. Leanne communicates effectively and builds strong, supportive relationships with clients and their families. She has extensive experience managing complex and challenging situations to enhance individuals' wellbeing and promote independence.

She works within a local authority as an OT and also undertakes work for Jacqueline Webb, completing Care Expert reports.

Her dedication to her clients is evident in her ability to tailor interventions that are not only effective but also respectful of each individual's unique circumstances and goals. Leanne's approach is holistic, considering both the physical and emotional aspects of recovery and rehabilitation.

In her role, she collaborates with multidisciplinary teams to ensure a comprehensive care plan is in place. Her expertise in the assessment and recommendation of equipment aids and adaptations is invaluable in creating environments that foster autonomy and safety.

### Clinical Specialities
